

GAIL WEST NAMED DIRECTOR

Gail West, of Black Mountain, has been named Director of the Black Mountain Neuro-Medical Treatment Center. Dr. James Osberg, Director of the N.C. State Operated Services Section, noted, "It is with great pleasure that I announce Gail West's appointment as Director of Black Mountain Neuro-Medical Treatment Center. Gail brings to this position a knowledgeable background after having worked at BMC for many years, most recently as Acting Director."

Ms. West also volunteers with Habitat for Humanity as well as various organizations dealing with women's rights. Ms. West has led the facility as Acting Director since April of this year following the retirement of Genny Pugh.
